

THE SCHOOL  
THAT WORKS

# SIR GUY CARLETON SECONDARY SCHOOL

## VOCATIONAL PROGRAM

Sir Guy Carleton Secondary School is a vibrant vocational school which focuses on both the skilled trades and academics.

We provide practical, relevant, and active approaches to education where students are given daily opportunities to learn in a hands-on manner.

Our students are provided strong hands-on practical experience to prepare them for **college, apprenticeships and employment.**

## SIR GUY CARLETON IS UNIQUE

Dual Credit partnership with our neighbour, Algonquin College, in hospitality.

Work Experience for senior students to experience working in the field while earning credit(s).

Small class sizes – all our classes are capped at 17 students.

Three Specialist High Skills Major (SHSM) programs:

- Advanced Culinary Education (ACE)
- Advanced Program in Automobile Repair Technologies (APART)
- Urban Farming Operations (UFO)

## OUR SKILLED TRADES

- Auto Service
- Auto Body Repair
- Welding
- Construction
- Custom Woodworking
- Comm Tech
